Connor Berry, LPN

Skilled Nursing & Rehab Employee of the Month!

Connor Berry is one heck of a nurse. We have received comments about him from multiple families in the past month, all remarking about how caring and considerate and on top of things he is. He is always willing to take the time to make sure our residents have all their needs met. Recently he made sure Minerva Harris was able to go to the hospital to see her husband who had just been admitted. Because of his extra care and thoughtfulness Minerva was able to be with Ray when he died. I hear story after story about Connor and how amazing he is with residents. He even went a

step further by participating in the SST American Idol in not one, but two acts! Not many people are willing to put themselves out there and make fools of themselves but Connor jumped at the chance as long as it was for the residents. What a swell nurse. He is a good person and gives his job his all. Thank you for all that you do, Connor!

Rachel Bickmore, CNA

Terrace Grove Employee of the Month!

Rachel is an outstanding nurse, who, as the pictures show, can take care of herself and others in any given situation. Rachel took top honors in the National Karate Championships, held in Las Vegas in 2015. She approaches her job much the same way as her dedication to Karate. She is meticulous, thorough and a “get it done girl!” On her shifts, residents always come first, she is known for helping out the aids on her shift in any way possible. Rachel will get residents up in the mornings, dress them and even do a shower if needed. She goes above and

beyond and nothing in her nursing job is below her. She is an excellent example of a terrific nurse and also a fun co-worker! The best advice ever, is to always stay on her good side, because she can be one tough cookie! We are so happy to have Rachel on our Terrace Grove team....she ROCKS!!!

Another Nominations: Kristie Wilkinson, LPN/Assistant DON; Bonnie Perry, LPN; Megan Bagwell, Administrative Assistant; Stefany Willis, Rec. Therapy Assistant; Kylee W olverton, CNA; Mackenzie Womack, CNA; and Keaton Papke, Housekeeping

Home Health & Hospice Employee of the Month!

Lisa Hill, RN

Lisa Hill has received Employee of the Month for June as she often goes above and beyond in caring for her patients. Lisa has a special passion and desire to serve a given population within our foundation. She has a strong desire to advocate for the underdog and promote equality. She is detail oriented and paperwork is always turned in accurately and on time. Lisa has worked very hard to understand the Medicaid systems and the ACO processes. Lisa has an innate ability to connect with client and families while graciously encouraging them to accept supportive services. Lisa enjoys teaching and training staff in both clinical and clerical interventions.

Lisa has taken it upon herself to learn both Kinnser and ADL, which has benefitted the clinicians and the company as a whole. She’s been able to identify areas of improvement within the software and worked closely with administration and the software company to work toward improvements. She is reliable, trustworthy, and consistent with client care. Lisa has a long history here at Sunshine Terrace Foundation; she has been employee here for 6 years. We are proud to publically recognize Lisa Hill as Sunshine Home Health and Hospice Employee of the Month for June 2016.

SERVICE AND DONATION NEEDS

Volunteering Opportunities

Terrace Grove Assisted Living is in need of volunteers. Please contact Nancy Bennett at 435-716-0504 or email her at nancy.b@sunshineterrace.com for more information.

Sunshine Terrace is in need of some Electric Recliner Lift Chairs for some of our rooms. Any clean chair in good working order would be greatly appreciated.

Looking for a Service Project?

We are always open to volunteer service projects from any Community Groups, Schools or Churches.

We would love to have a Flat Screen TV in every room. They not only help us look up-to-date, but they usually have better picture quality and are lighter than traditional TVs.

Terrace Grove is wondering if anyone has an extra piano lying around, or if you would like to buy us a new one. The piano would be put in our Rec. Therapy room and used for activities.

Volunteering Opportunities

Here at Sunshine Terrace we rely on our Volunteers year round to help with activities and day-to-day needs. Please contact Cory at cory.funk@sunshineterrace.com if you are interesting in participating in any other following:

- Adopt a Grandparent Program
- Assist with an Activity
- Plan and Implement Your Own Activity
- Practicum/Internships

Go to <http://www.sunshineterrace.net/volunteers/> for more information.
