2 EMPLOYEE RECOGNITION

Larry Francis

Michael Hard

Skilled Nursing & Rehab Employee of the Month!

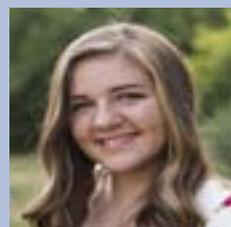

This month we chose the Transportation team of Larry and Mike as our employees of the month. They work very well together and are very accommodating to staff in getting our residents where they need to go. They are very personable to our residents and spend time getting to know them. They are well liked by doctor offices and the hospitals and have worked hard to develop those relationships. They are often asked to work odd hours and are always willing to do what is needed for the residents. They are both a great addition to our team.

Congratulations, Larry and Mike!

Home Health & Hospice Employee Spotlight!

Katie Manning

We would like to welcome Katie Manning as our new Office Assistant/Receptionist. Katie grew up in Garland Utah and is married to Brian Manning who works in Maintenance. Katie will soon be acquiring her Associates Degree from USU, and plans on studying Graphic Design at Bridgerland

Technical College. Katie served a full time LDS mission in the Baton Rouge, Louisiana area, and then returned home to Garland and Brian; they were married soon after. Katie loves to watercolor and be creative. Katie is also very organized which is a huge benefit for us and her position. Katie has done a wonderful job in jumping right in, taking over her responsibilities and applying her talents. As the assistant aide scheduler she is responsible for ensuring all visit notes get completed for our Sunshine Cares department which also includes the Pioneer Valley Lodge. As the receptionist, Katie is usually the first contact

anyone has with Home Health and Hospice whether it is in person or on the phone. Katie is a fast learner and has offered many wonderful ideas for continued improvement within our department. We are excited to have Katie on our team and look forward to all the talent she brings to the department. Welcome Katie!

Terrace Grove

Employee of the Month!

Melanie Rockwood,
CNA

Melanie is such a fun gal to have on our Terrace Grove Team and as one of the comments on her ballot stated; " She always knows exactly what to do for each resident!" This is so true, Melanie is a great example, leader and teacher for other CNA's, her work time is scheduled out to the point, that she never wastes one minute of her shift. Her love of our residents is apparent in the manner she greets them, she is a listener and compassionate. There are times when a call light goes off and you rush to a residents room to be of help and often all they really want is a hug, a smile or just to know somebody really cares about them and this is Melanie!

Originally born and raised in Park City, she moved to Logan two years ago. She loves to hang out with her family, friends and her twin sister, she and her sister are the youngest of 5 siblings. Melanie has a niece and a nephew she absolutely adores. Her goal is to eventually become a Labor and Delivery Nurse, but at this point in time, says she "can't imagine leaving Terrace Grove", everyone here has a special place in her heart and she loves coming to work every morning! What a great attitude and a super good CNA, so thankful to have you Melanie on out TG team!

THANK YOU LETTER

Dear Karmen and Staff,

I want to thank you for your caring and help with my mom, Carol Baldwin. She was well taken care of when she lived at Terrace Grove. I am sorry I had to move her. Thank you for helping me learn this aging process, and to understand dementia a little better. You took a great weight off my shoulders while she lived there. I appreciate all you did for her and me.

Thank you. Happy New Year!

With sincere thanks,

Carolyn Taylor

SERVICE

Terrace Grove residents were happy to have the USU Audiology Department, under the direction of Jeffery Larsen M.D., come in December and check our residents ears and hearing aids free of charge. This is a tremendous service to our residents and our facility is so appreciative of Dr. Larsen and his staff to take time to volunteer their services!

SERVICE AND DONATION NEEDS

Volunteering Opportunities

Terrace Grove Assisted Living is in need of volunteers. Please contact Nancy Bennett at 435-716-0504 or email her at nancy.b@sunshineterrace.com for more information.

We have summer picnics, bus rides, and other summer adventures that we need your help with!

Looking for a Service Project?

We are always open to volunteer service projects from any Community Groups, Schools or Churches.

Possible Eagle Scout Project:

One of our Storage areas is in need of some new shelving. This would be a great basic building project for anyone looking to get their Eagle Scout.

Please contact Cindy Jones at cindyj3@sunshineterrace.com or 435-754-0244 if you are interested or have any questions.

Terrace Grove is wondering if anyone has an extra piano lying around, or if you would like to buy us a new one. The piano would be put in our Rec. Therapy room and used for activities.

Volunteering Opportunities

Here at Sunshine Terrace we rely on our Volunteers year round to help with activities and day-to-day needs. Please contact Katie at katie.stauffer@sunshineterrace.com if you are interesting in participating in any other following:

- Adopt a Grandparent Program
- Assist with an Activity
- Plan and Implement Your Own Activity
- Practicum/Internships

Go to <http://www.sunshineterrace.net/volunteers/> for more information.

Sunshine Terrace is in need of some Electric Recliner Lift Chairs for some of our rooms. Any clean chair in good working order would be greatly appreciated.

We would love to have a Flat Screen TV in every room. They not only help us look up-to-date, but they usually have better picture quality and are lighter than traditional TVs.

Kim Nydegger was kind enough to open her home for a Home Health & Hospice Holiday get together. Employees had a great time getting together to talk, eat and celebrate the Holiday season!

Santa Claus came to Terrace Grove again this year. Our residents are always so good throughout the year, it's no doubt Santa loves to visit us!

We went caroling on the bus this month!

RECENT EVENTS (cont)

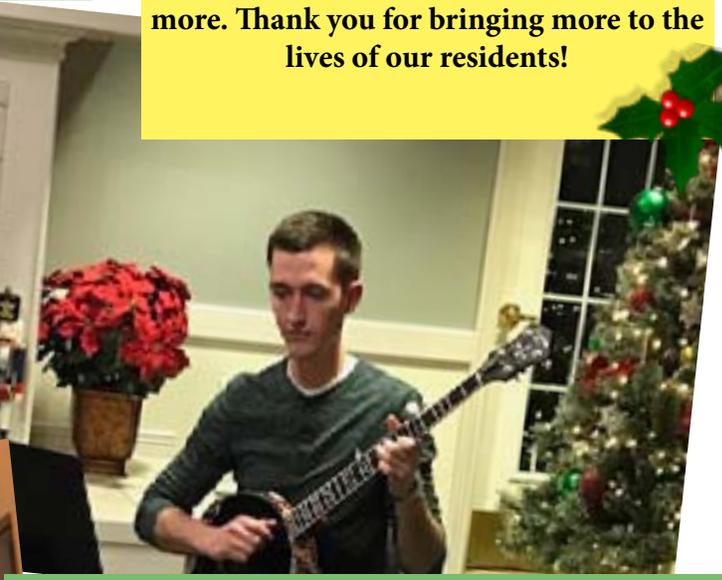

The Sunshine Singers sang beautifully at the Christmas Program; Santa even heard and paid us a visit!

Terrace Grove's Christmas festivities wouldn't be complete without a performance from the USU Harp Department, under the direction of Chilai Hugo. This is always a beautiful evening of classical and traditional Christmas music. Terrace Grove is grateful for the support of so many musicians from the USU Music Department.

A giant thank you to everyone that has volunteered at all of our businesses this Holiday Season! These are only a few of the dozens of people and organizations that volunteered by performing, caroling in our halls, decorating, reading, and much more. Thank you for bringing more to the lives of our residents!

A wonderful group of young people came to perform a Christmas Concert.

Jordan has many talents and he shared his banjo & singing with our residents at Terrace Grove over the holiday. Jordan put smiles on the faces of our residents in the middle of the elevator being down he just did a concert for them on each floor and stayed longer. He had the residents joining in some played the piano and others sang along. He brought Joy to everyone that evening! We love how he connects with everyone at everything he does.
