**EMPLOYEE RECOGNITION**

**Terrace Grove**

**Employee of the Month!**

This month Terrace Grove is highlighting Madison Andersen as our Employee of the Month! Madison has been an employee of Terrace Grove since October of 2016, having graduated from Logan High in 2015, we are so lucky she chose us to work for! She loves working at TG and it shows by the example she sets for all of the staff and especially her team members. Madison is always upbeat, happy, dedicated and gives the best care possible to our residents. She looks for ways to improve CNA routines and is a terrific leader. Her plans are to return to nursing school to become a labor and delivery nurse. In Madison’s spare time she is a Nanny and loves kids. Madison is from a family of 8 and enjoys her time with her parents and siblings, her mom and sister are her best friends! When time allows, she likes to travel and visit new places and especially likes to travel on a cruise ship!

Thanks Madison for being a great example of compassion and empathy!

**Skilled Nursing & Rehab**

**Employee of the Month!**

Christina has been coming in on her scheduled days off to assist in getting laundry going as well as helping out our new laundry aide. She has gone above and beyond with making sure that processes are flowing flawlessly while getting the other laundry position filled. She really cares about our residents and will do whatever needs to be done to meet their needs. She will stop at nothing to locate someone’s missing clothing and is very good at recognizing which clothes belong to whom. She is a great part of the team.

**Home Health & Hospice**

**Employee Spotlight!**

Casey started working with our Home Health and Hospice division in May 2018. Within the two short months she’s been working here, Casey has quickly become one of our most valuable employees! She routinely receives high praise from her patients and their family members, as well as her coworkers. Casey is always willing to lend a hand at short notice, and to take on difficult tasks, patients and schedules. We don’t know what we’d do without her! Casey will be graduating with a degree in Human Biology and will be applying to PA schools in the spring. She hopes to work in a pediatric hospital and has lofty goals of working with UNICEF or other non-profit organizations specializing in maternal and child health. Casey works as a chemistry and biology tutor for USU student athletes and coaches a 6th/7th grade volleyball team. When she’s not busy doing all that, Casey enjoys hiking and kayaking with her family, playing basketball and volleyball, and playing with her dog Hank. We are so happy to have her on our team!!
Sunshine Terrace is in need of some Electric Recliner Lift Chairs for some of our rooms. Any clean chair in good working order would be greatly appreciated.

We would love to have a Flat Screen TV in every room. They not only help us look up-to-date, but they usually have better picture quality and are lighter than traditional TVs.

Possible Eagle Scout Project:

One of our Storage areas is in need of some new shelving. This would be a great basic building project for anyone looking to get their Eagle Scout.

Terrace Grove is wondering if anyone has an extra piano lying around, or if you would like to buy us a new one. The piano would be put in our Rec. Therapy room and used for activities.

Terrace Grove Assisted Living is in need of volunteers. Please contact Nancy Bennett at 435-716-0504 or email her at nancy.b@sunshineterrace.com for more information. We have summer picnics, bus rides, and other summer adventures that we need your help with!

Looking for a Service Project? We are always open to volunteer service projects from any Community Groups, Schools or Churches.

Our residents had so much fun on our annual fishing trip! A couple of us got splashed a bit, others got a kiss or two from the fish, and we all had an amazing adventure! By the end of the trip they had caught a ton of fish that we were all able to enjoy the next day at our fish fry!
