Founders Day - Celebrating 70 years!

In the summer of 1948, L. Boyd Hatch was visiting family in Logan, UT when he stopped to visit his grandmother’s old home, which was then a private nursing home. Boyd Hatch was appalled by what he saw in this substandard facility and talked with family, friends, and the County Welfare Department. Hatch proposed that a nonprofit foundation be established to care for Cache Valley’s senior citizens. With the help of his brother, Adrian Hatch, he was able to get the nonprofit established in three months. Adrian Hatch lived in Cache Valley as a successful businessman. He was always willing to help his brother with his local businesses. The Sunshine Terrace Foundation was started with Boyd's desire, intent, and money, but it was Adrian that made it happen. Adrian convinced his friends, Guy Cardon and Norm Salisbury, to join the Board and Adrian handled the formation papers, renovations, and negotiations. Adrian was completely devoted to the Sunshine Terrace Foundation and whenever a problem arose, he would not leave until it was resolved.

The Hatch family has continued to be heavily involved with our foundation over the years. Marjorie Hatch, Adrian’s wife, joined the Board a couple of years after her husband’s death. The legacy continued with the next generation when Eastman Hatch, a nephew, served on our board and is recognized as one of our Trustee’s Emeritus. His son, Richard Hatch, is currently the Vice President of our Board of Directors.
Kenneth W. Godfrey grew up on a small farm in Cornish, Utah, before attending Ricks College and Utah State University, where he earned a bachelor’s degree in political science. He served an LDS mission to the Southern States Mission. He married Audrey Ann Montgomery completed a master’s degree at Utah State in political science. Additional graduate work at the University of Southern California, the University of Utah, and Brigham Young University culminated in a doctorate from BYU in 1967.

He has spent most of his professional life immersed in the history of The Church of Jesus Christ of Latter-day Saints. He wrote Women’s Voices: An Untold History of the Latter-day Saints (1982), which he coauthored with Audrey Godfrey and Jill Mulvay Derr. He has an authority on the history of Cache Valley and in 2010 published Logan, UT: A One Hundred Fifty Year History.

Kenneth Godfrey is a long-time friend the Foundation. His own mother once resided in the skilled nursing facility. He helped celebrate the 50th anniversary by writing Sunshine Terrace Foundation, Fifty Years of Caring 1948–1998 (1998) and celebrated the 65th anniversary by unearthing the time capsule that was buried in 1998.
